On-Demand Business Training

offered by the Partner Manager in each respective country.

Why Join a Partner Category?

Our goal is to empower our business partners to become proficient in our tool, ensuring customers have heightened confidence in the services provided by each Rocketbot partner. To facilitate this, our partner categories offer substantial advantages for your company.

Silver Partner

This partner has a good grasp of Rocketbot RPA concepts, its application for building robots, and process automation. They have qualified staff capable of building moderately complex robots that integrate web environments, email, Excel, XML, FTP, Database, and Legacy.

Requirements	Benefits
<ul style="list-style-type: none">• Three (3) engineers with BBRE2 certification (BOT Builder Rocketbot Expert)	<ul style="list-style-type: none">• Listing on the Rocketbot portal with the Silver Partner badge
<ul style="list-style-type: none">• One (1) engineer with CRRE1 certification (Consultant RPA Rocketbot Expert)	<ul style="list-style-type: none">• Success case publication on the portal
<ul style="list-style-type: none">• Sales exceeding 10K USD	<ul style="list-style-type: none">• Participation in open events with other partners and clients

Gold Partner

This partner has an advanced understanding of Rocketbot RPA concepts, its application for robot building, and process automation. They have qualified staff for building highly complex robots, combining web environments, email, Excel, databases, XML, FTP, Legacy, SAP, Python, and JavaScript. Moreover, they can integrate these robots with Rocketbot Orchestrator Center and Xperience.

Requirements	Benefits
<ul style="list-style-type: none">Three (3) engineers with BBRE2 certification (BOT Builder Rocketbot Expert)	<ul style="list-style-type: none">Listing on the Rocketbot portal with the Gold Partner badge
<ul style="list-style-type: none">Three (3) engineers with BBRE3 certification (BOT Builder Rocketbot Expert)	<ul style="list-style-type: none">Success case publication on the portal
<ul style="list-style-type: none">Two (2) engineers with CRRE1 certification (Consultant RPA Rocketbot Expert)	<ul style="list-style-type: none">Participation in closed events with clientsLead assignment
<ul style="list-style-type: none">Sales exceeding 50K USD	<ul style="list-style-type: none">Marketing fundSales closure budget

Platinum Partner

This partner has an advanced understanding of Rocketbot RPA concepts, its application for robot building, and process automation. They have qualified staff for building highly complex or advanced robots, combining web environments, email, Excel, databases, XML, FTP, Legacy, SAP, Python, and JavaScript, and integrating these robots with Rocketbot Orchestrator Center and Xperience. They also provide consulting services for process assessment, classification, prioritization, and ROI analysis for automation.

Requirements	Benefits
<ul style="list-style-type: none">Three (3) engineers with BBRE2 certification (BOT Builder Rocketbot Expert)	<ul style="list-style-type: none">Listing on the Rocketbot portal with the Platinum Partner badge
<ul style="list-style-type: none">Three (3) engineers with BBRE3 certification (BOT Builder Rocketbot Expert)	<ul style="list-style-type: none">Success case publication on the portal

<ul style="list-style-type: none">Sales exceeding 100K USD	<ul style="list-style-type: none">Marketing fundSales closure budgetDifferential margin for tickets >20K

Keys to Partnership Success

- Rocketbot provides partners with BBRE1 certified developers access to free support via Slack on a 5x8 schedule in the Latam time zone. The support covers tool issues and assistance in building bots, APIs, and connectors.
- The partner must provide first-level support for the Rocketbot platform for their end customers, with Rocketbot's assistance as needed.
- Rocketbot provides a demo kit free of charge for three to six months, including all solution components. This includes Production licenses, Orchestrator, and Xperience.
- The partner must provide support and maintenance for the robots, orchestrator, and management panel built for their clients (either free or at cost).
- Participation in Rocketbot's marketing events and activities.
- Support for pre-sales and sales activities from our Key Account Managers.
- Growth in the number of customer licenses through our Growth department.

License Price Discounts

Rocketbot provides partners with a discount on the price of licenses according to the following table:

Management	Action Performed By	Discount for Partner
Lead Generation By Lead Generation Pre-sales and POC	Partner Partner Partner	30%
Lead Generation Pre-sales and POC Billing and Post-Sales	Partner Rocketbot Partner	20%
Lead Generation KAM Pre-sales and POC Billing and Post-Sales	Rocketbot KAM Partner Partner	20%
Lead Generation Pre-sales and POC Growth Billing and Post-Sales	Rocketbot Growth Rocketbot Partner	15%
Lead Generation Pre-sales and POC Billing and Post-Sales	Rocketbot Rocketbot Rocketbot	10%

***** License Renewals:**
Rocketbot will maintain the original discount conditions for license renewals in subsequent years.

*** Prices for Development, Maintenance, or Consulting services are determined by each Partner.

Opportunity Declaration

Opportunity Declaration

- ✓ All potential business opportunities with a customer must be reported to Rocketbot for the purpose of reserving the opportunity.
- ✓ Rocketbot will only provide a discount for opportunities that have been previously reserved.
- ✓ Rocketbot does not accept reservations for accounts or customers; only opportunities within an account are reserved.
- ✓ Two or more partners can work with the same customer if the declared opportunities are different.

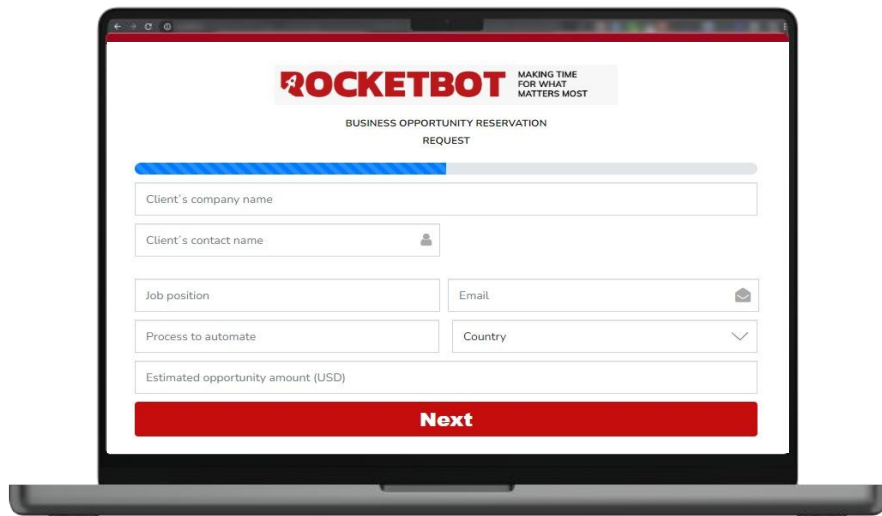

Opportunity Declaration

- ✓ Rocketbot will not grant a discount to a second partner if the opportunity is already reserved (except for tenders or at the customer's request).
 - ✓ If a customer seeks to change partners, Rocketbot will make every effort to safeguard the partner who performs well and will arrange a meeting with the customer to review the situation.
-
- ✓ The link to declare opportunities is [Open form link](#)
 - ✓ The acceptance confirmation of opportunity reservation by Rocketbot will be communicated via email by the respective Regional Partner Account Manager.

The background is a dark, almost black, space filled with abstract red elements. In the top left, there's a small white square. A large, bright red circle is partially visible in the top right corner. A thick, dark red, curved line sweeps across the right side of the image. Along this curve, there are several red geometric shapes: a large cube, a smaller cube, and a small hexagon. A soft red glow is visible near the bottom right, and a small red hexagon is at the very bottom center.

Full demo kit Rocketbot for Partners

Full Demo Kit Rocketbot for Partners

The purpose of providing this kit to our partners is to enable them to test, implement, and present the complete RPA Rocketbot solution to customers.
